April 1st Is Dead Line Auto Plates

New 1937 License Tags Must Be On All Cars and Trucks By Midnight of April 1st

SALE IS LIGHT

Highway Patrol Is Given Orders From Austin To Arrest Drivers Not Having Cars Equipped

April 1st is the dead line for buying 1937 automobile plates. Automobile drivers who have not equipped their cars with the new plates by midnight of Thursday, April 1st, will be subject to arrest by the local officers or the highway patrolmen.

Business has been slack in the county the past week selling plates, but it is anticipated there will be a rush this week of owners seeking the new plates. Tax Collector R. N. Barnett states that the sale of plates has so far run behind other years, and urges those who have not bought plates to do so before the final date.

The State Highway Department has issued orders to all officers to arrest all car drivers who do not have on their plates by closing time at midnight of April 1st.

Robert D. Glenn Died Monday; Funeral Held Tuesday

Robert Don Glenn, 69, died Monday afternoon at the family home on Fourth Avenue. Mr. Glenn was a retired farmer, moving here last year from Shamrock.

The funeral service was held Tuesday afternoon at 3:00 o'clock at the Baptist Church. Rev. J. R. Hicks was assisted by Rev. M. M. Dunsforth in the funeral service. Interment in Dreamland Cemetery followed in charge of the Griggs-Thompson Funeral Home.

The deceased was a member of the Baptist Church and of the Masonic lodge.

Surviving are the wife, Mrs. Bettie Glenn, and eleven children: Dexter Glenn of McLean, Andy Glenn of Wheeler, Bradford Glenn of Briscoe, Roy Glenn of Canyon, Oliver Glenn of Boise, Idaho, McKinley Glenn of Quail, Austin Glenn of Happy, Rudolph Glenn of Canyon, Mrs. J. E. Neeley of Lamesa, Mrs. B. E. Hooker of Quail, and Mrs. Ada Lee Tipps of Canyon.

Mrs. J. A. Hill to Be Speaker on P. T. A. Program Thursday

Mrs. J. A. Hill will be the principal speaker on the Parent-Teacher Association Program which will be held this evening, March 25, at 7:45 o'clock. Mrs. Hill's subject will be on "Appreciation." Mrs. W. C. Black is in charge of the program which will include music by the W. T. High School boys' Glee Club. Mrs. Harvey Cash will have the devotional.

A good attendance is urged as a special business meeting is to be held by the president, Mrs. Dan Sanders.

MRS. A. F. CHAMBERLAIN GIVES BOOKS TO LIBRARY

Mrs. A. F. Chamberlain has donated two new books to the Randall County Library, states Mrs. S. D. Burton, librarian.

Many books have been donated to the library this year, states Mrs. Burton. The number of readers for the library are increasing rapidly.

Mr. and Mrs. G. W. Combs, Mr. and Mrs. C. R. Flesher and Mrs. W. C. Baird attended the funeral of La Juana Rose in Hereford Sunday.

Mr. and Mrs. Elwin Price of Fort Sill, Okla., are visiting this week in the home of his sister, Mr. and Mrs. Kermit Schramm.

Byrl Elliston of Hereford was here Tuesday on business. He was accompanied by his father.

Car Owners Fail to Mail Cards to Planning Committee

With approximately 2,860 vehicles affected by the registration law, car owners of Randall county have returned to the Highway Planning Survey only 46 of the post cards that were handed to them at the time they paid their 1937 automobile license fees at the office of R. N. Barnett, Sheriff, Tax Assessor and Collector. Car owners of Randall county have failed to respond to pleas of the Highway Planning Survey to provide information on which the highway programs of the future will be based, a tabulation of returns received to Wednesday disclosed. The number of car owners sending in information on cards received when they registered their vehicles is insufficient to provide an accurate picture of the road needs of this county. The information which is being collected will be used by the Highway Department and the U. S. Bureau of Public Roads in planning the future construction and maintenance of roads and highways in this county and in this section of the state. Local motorists should be sufficiently interested in improving the road system of the county to ask for these cards at the time they pay their license fees and should fill in the cards and mail them, because information collected by the Highway Planning Survey will be used in designating federal funds which soon will be spent on improving the secondary road system of Texas.

The cards on which this information is being collected are self-addressed and require no postage. The Highway Department and the U. S. Bureau of Public Roads have gone to considerable trouble in order to offer highway users the opportunity of helping to plan their own roads. Just as citizens were long ago given the right to vote, car owners are now being given a similar right and should take advantage of their opportunity. It is to the advantage of each county to return at least as high a percentage of these post cards to the highway department as are returned by its neighboring counties.

Dairymen Will Have Annual Banquet Friday at School Gym

The annual banquet of the Randall County Dairymen's Association will be held Friday night at 7:30 o'clock at the public school gymnasium. About 200 tickets were reported sold yesterday.

W. H. Upchurch, county agent, will be toastmaster at the banquet.

W. T. Strange, manager of the Big Spring Chamber of Commerce, will be the principal speaker. Mr. Strange is noted in West Texas as a humorist, and is in great demand for public gatherings.

Attorney General Is Highly Impressed In Visit Here Sun.

Attorney General Wm. McCraw was a visitor in Canyon Sunday, spending considerable time in making a close inspection of the campus of W. T. So impressed was Mr. McCraw with the rock work being done that he made two trips to the campus during the day.

The Attorney General spoke at the Presbyterian Church at the morning service. He and Rev. Chas. Dickey were friends in Dallas county before the local minister moved to Canyon.

COMMISSIONERS ATTEND MEETING HELD AT LUBBOCK

County Commissioners G. B. Heath, Clarence Beckman and D. S. Hill attended the County Judges and Commissioners Association meeting in Lubbock on Thursday, Friday and Saturday.

Mr. Heath stated that a great deal of valuable information was brought home by the three commissioners for the benefit of the county's business.

2 New Candidates File for Places on Board of Trustees

Yesterday was the last day for filing application for places on the official ballots of the school election which will be held on Saturday, April 3rd.

At the meeting of the trustees Friday night, Dan F. Sanders and S. H. Condon declined to stand for re-election. Mr. Sanders has been a member of the board for eight years and Mr. Condon for three years.

G. W. Cox was induced by the members to stand for re-election. He has been on the board for three years.

Applications were filed yesterday by Mr. Cox, Dr. Harris M. Cook and Dr. E. J. Cundiff. Only the three names will appear on the ballot, since no other candidates filed within the time prescribed by law.

Dr. Cook is a member of W. T. faculty and has always taken an active interest in school affairs. Dr. Cundiff has been a director of the local Chamber of Commerce and taken an active part in civic affairs. Members of the board of trustees urged the two new candidates to stand for election.

Chamber Commerce Puts on Radio Program Tuesday Noon

The Canyon Chamber of Commerce sponsored a fifteen minute radio broadcast over station KGNC in Amarillo Tuesday, from 12:30 to 12:45 p. m. The program was arranged and presented by representatives from West Texas State College. Houston Bright and O. T. (Tiny) Craig, accompanied by Wallace R. Clark, rendered two voice groups; Guilford Miller made a brief talk on Canyon and the College; and Brynildie Vaughn of the W. T. high school made announcements concerning the coming regional Hi-Y Convention, where he will be in charge as president of the conference, at Plainview.

W. T. HOLIDAY

Easter holidays will begin Saturday for students of W. T. Dr. R. P. Jarrett, Dean of the College, has announced. Holidays will continue through Monday, students returning to classes Tuesday.

Mr. and Mrs. C. R. Ringham of Pampa were Sunday visitors in the parental J. O. Quattlebaum home.

Scholastic Census Means \$19 for Each Child Enumerated

Census of all children of scholastic age is being taken in Canyon by S. B. Orton, secretary of the Canyon Independent School District.

It is very important that each child of scholastic age shall be enrolled.

The state pays to the school district \$19 for each child on the census roll. If any child is missed in the census it will cost the district \$19.

Mr. Orton urgently requests that if he has failed to find any child of scholastic age during the census that parents notify him at once. The census must be completed by Wednesday night, March 31st.

Emergency Money Is Passed by Both Senate and the House

The emergency appropriation requested by Dr. J. A. Hill for W. T. has finally passed both the Senate and the House. The House passed the bill Thursday and the Senate on Monday. The bill is now in free conference and should be acted upon during the coming week.

All WPA work on the campus was shut down three weeks ago until the legislature had passed this appropriation to pay the state's part of the work.

Dr. Hill has been called to Austin for hearings before both the House and Senate on the regular appropriations bill. The hearings will start the middle of next week.

FATHER OF ANDY WALSH DIES AT HOME IN OKLA.

Mr. and Mrs. Andy Walsh and son returned Monday evening from Fairfax, Okla., where they attended the funeral Sunday of Mr. Walsh's father, G. W. Walsh, who died Friday afternoon.

Mr. Walsh was 82 years of age and was living with his daughter, Mrs. B. P. Walker at the time of his demise. Mr. Walsh was known by many Canyon people, as he had visited here in the home of his son many times.

Miss Lila Beth Burroughs spent the week end here at the parental E. Burroughs home.

Dr. and Mrs. H. A. Brown and Harry visited his brother near Tulsa Sunday.

First Wind Storms Do Farms Damage

Friday's Blow Is Followed by Hard Wind Tuesday—Temperature Drops 39 Degrees Last Night

Dust storms swept over the Plains on Friday and on Tuesday, doing considerable damage in sections of the county. These were the first winds to do any particular damage this year to the land in Randall county.

The dust of Friday was largely brought from the outside, but the one on Tuesday was accompanied by a low, hard-driving wind which did much damage over the county. The greatest damage done was in the northwest part of the county where less rain has fallen than any other section of the county.

Listers were put to work over the county this week in the wheat fields to stop the blowing which was started Friday.

The Wind Erosion committee has a small balance of the \$8,000 fund which was sent here for emergency listing to stop blowing, but it is expected that this money will not be sufficient to meet the demands following the high winds. Land owners have only until April 15th to use this money.

Another duster hit Canyon yesterday afternoon when the wind turned to the north. The temperature dropped 39 degrees, from 64 degrees to 25 degrees, during the night. There was a drop of 14 degrees in a few minutes soon after 6 o'clock when the wind started to blow.

Farmers Flock To Meetings to Complete Organization

The district court room was filled yesterday with farmers who came from the east one-half of the county. Another meeting will be held this afternoon of farmers living in the west half of the county.

The meetings were called by County Agent W. H. Upchurch to elect committeemen to carry on the 1937 agricultural program.

Little Miss Joy Jones of Floydada spent the week end visiting with her little cousin, Fannie Alice Pierce.

LAW MAKERS IN TRIP EXPRESS SATISFACTION

Twenty Members of Senate and House Spent a Day Viewing Plains of Panhandle

STEVENSON SPOKE

Large Group Paid Visit to W. T. Campus Sunday Morning to See Needs of Institution

Twenty members of the legislature made a trip to the Panhandle Saturday to secure first hand information regarding conditions in this section.

Nearly all members of the party visited the campus of W. T. for an hour Sunday morning and were shown the buildings of the institution.

Dr. J. A. Hill and Dr. A. M. Meyer accompanied the party Saturday on a tour of the oil fields, where the legislators were shown the extensive production and especially the carbon black plants of this section.

A dinner was given in Amarillo Saturday night in honor of the visitors. Dr. Hill, Dr. Meyer, L. F. Sheffy and Clyde Warwick attended from Canyon.

Coke Stevenson of Junction, former speaker of the House, made the principal talk at the banquet Saturday night.

Amazement was expressed by all members of the party at the wonderful resources of this section. The wheat, cattle and oil impressed the lawmakers, many of whom had before looked upon this section as a more or less barren waste.

Those who visited W. T. expressed great satisfaction of the work which had recently been done under WPA, and all were highly impressed with the museum.

Coke Stevenson and Harry McKee of Port Arthur were taken to the Palo Duro State Park early Sunday morning. They were highly impressed with the possibilities of the Park.

The trip was planned by Representative Jack Little of this district and Representative Max Boyer of Perryton.

Those in the party were: Gene Worley, Shamrock; Max Boyer, Perryton; Jack Little, Amarillo; Arnold Vale, Rio Grande City; E. H. Thornton, Galveston; Red Harris, Dallas; Sam Hanna, Dallas; Fred Ketsch, Seguin; Harry McKee, Port Arthur; Travis Dean, Hamlin; Clyde Holtzclaw, Sen. J. Manley Head, Stephenville.

Sen. Morris Roberts, Pettus; A. T. McKinney, Huntsville; Homer Leonard, McAllen; Sen. Wilbourne Collier, Eastland; Coke Stevenson, Junction; Merritt Gibson, Longview; Joe Keith, Sherman; O. A. McCracken, San Antonio.

Cousin of Mrs. Dan Sanders Killed In New London School

Miss Masel Hanna of Nacogdoches was one of the victims of the tragedy at New London last Thursday when 455 children and teachers were killed in the explosion which wrecked the school building. Miss Hanna is a cousin of Mrs. Dan Sanders, and taught in the unfortunate school.

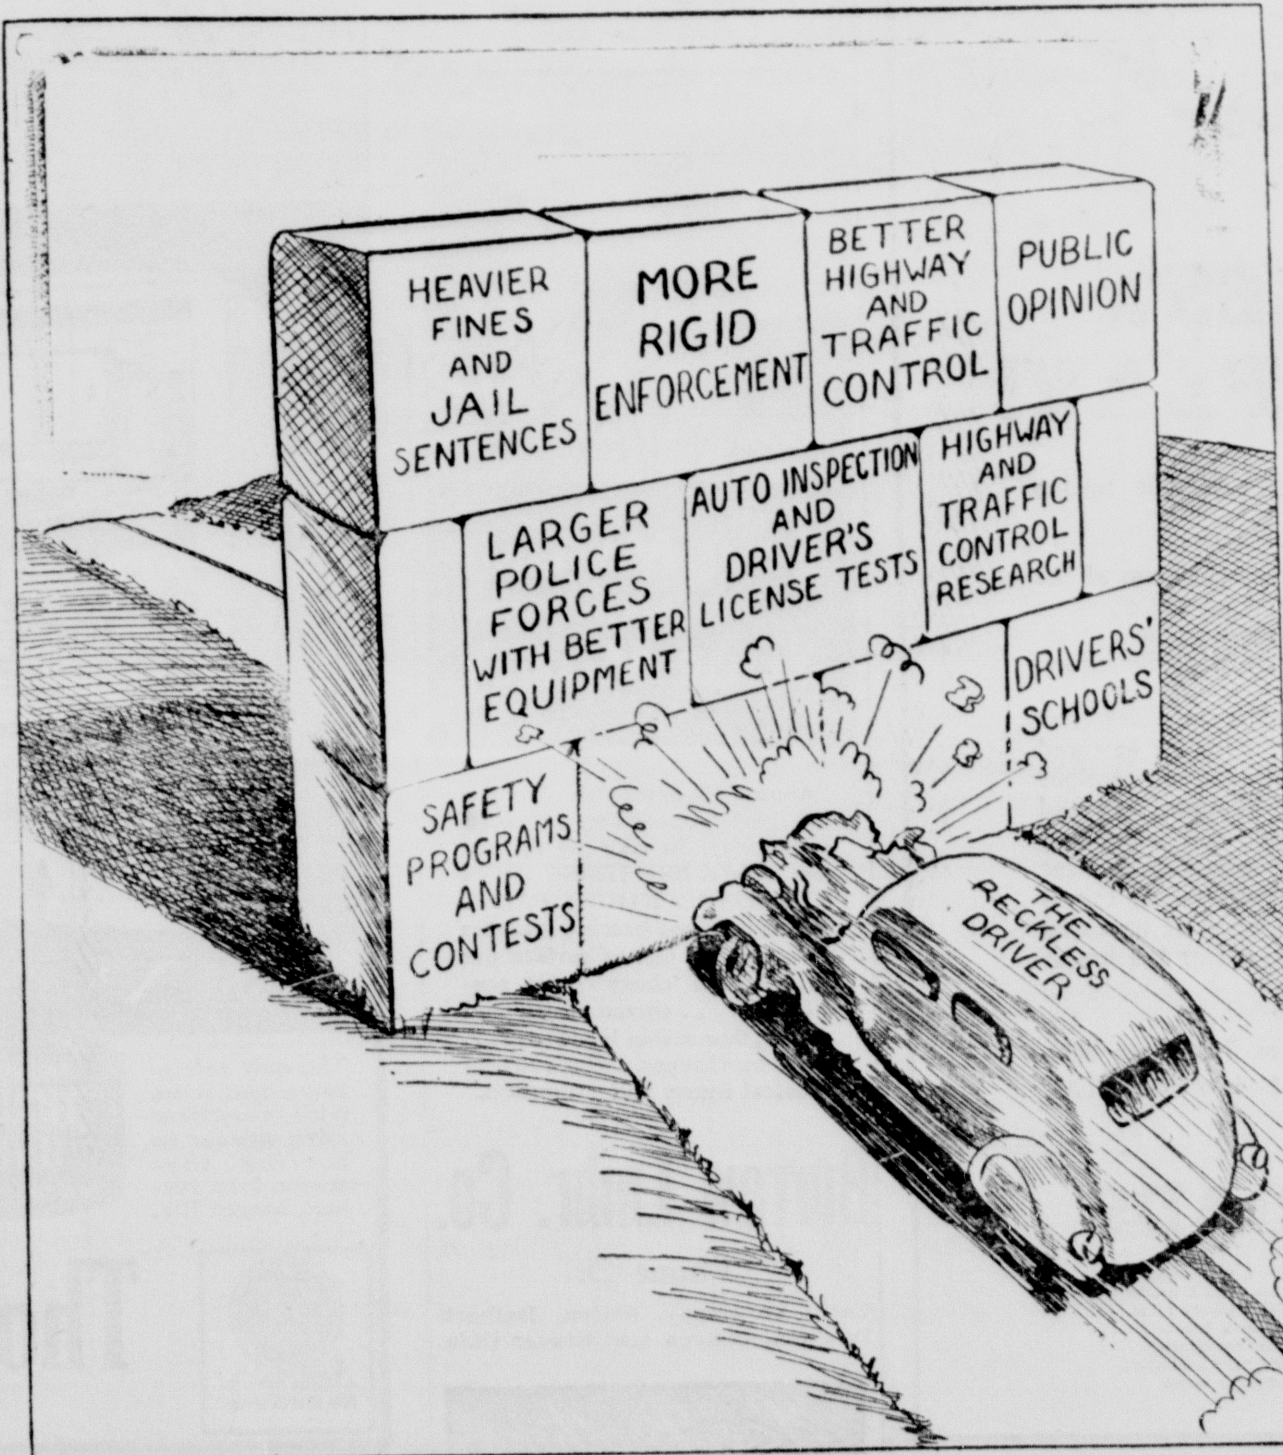

A brother of Miss Hanna rushed to the scene Thursday as soon as the news of the disaster was heard. He was unable to locate the body, but it was identified Friday soon after he had returned home hopeless of recovery of the body. The funeral was held at the home in Nacogdoches.

RETURNS FROM HOSPITAL

Mrs. Burt Newlin was brought home from Temple by her father, T. C. Thompson, arriving Saturday night. Mrs. Newlin has improved rapidly from the serious operation which she underwent a month ago.

Word has been received by friends here that Miss Lois Goodrich is quite seriously ill in New York. She has been in a sanitarium for some time.

IRRESISTIBLE FORCE MEETS THE IMMOVABLE OBJECT

Mrs. J. W. Prichard Is Seriously Ill at the Home of Family

Mrs. J. W. Prichard is seriously ill at her home in the southwest part of town. She is unconscious a considerable part of the time, states Hud Prichard, her son.

Three sons, Elmer of Canon, E. L. of Amarillo and Sherman Prichard of Pampa were here Sunday.

Two daughters, Miss Jim Black of Black, and Mrs. Roland McFarland of Dumas, have visited their mother.

Mrs. Bonnie Gaudin of Mansfield, a sister of Mrs. Prichard, arrived Tuesday.

NEW SALESMAN HERE FOR IMPERIAL CHEVROLET CO.

D. M. (Dave) Tinkle of Amarillo has accepted a position with the Imperial Chevrolet Company, announced Miss Hazel Wineinger, yesterday.

Mr. Tinkle has had several years' experience with the leading automobile agencies in Amarillo. He has sold the Chevrolet in recent months. He will move his family here after school closes.

HAD OPERATION

J. W. Shook was in an Amarillo hospital a few days this week where he underwent an operation for sinus trouble. He returned home yesterday.

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

Those who are in touch with the water conservation movement are highly pleased with the possibilities of lakes and dams all over the Southwest. The "dust bowl" will become the "lake and dam bowl" if present plans are worked out. The Canyon Chamber of Commerce started this movement when it was proposed that a big lake be built south of Umlinger. The site was shown to Amarillo people, who became elated over the prospects. The idea was then advanced that if this lake was good for Randall county similar lakes would be good for the entire Panhandle. The Panhandle conservation movement was started and the plans taken to Austin and to Washington. The President indicates great interest in the plan, which was presented to him by Congressman Marvin Jones. If and when the government finally gets started in conserving the water of this section the honor goes to President W. A. Warren and his board of directors for having started something big in proportion, and useful not only to the citizens of this section, but likewise to the entire nation.

It is charged in Washington that President Roosevelt follows the tactics of Woodrow Wilson in keeping his plans to himself, or at least confining them to his very close associates. Very few in Washington realized that the President was about to spring the court remodeling bill, although it had

been suggested in the campaign last year. Roosevelt likes to surprise people, and takes delight in getting his plans formulated and ready to present to Congress without members suspecting just what is coming. It is stated that Wilson lost his fight for the United States to enter the League of Nations because he did not take certain congressional leaders into his confidence. Roosevelt has the strong opposition of many leaders in the Democratic party primarily because he failed to tell these leaders what he would propose. The President feels sure of his ability to cope with the most stubborn Democrats. "I'll call them in and talk to them," is the favorite Roosevelt expression. The President is aware of his magnetic personality, and the confidence which the people of the nation has for him.

Jim Ferguson, one of the keenest politicians Texas has ever produced, makes the following observation regarding the President's fight in the courts:

President Roosevelt is just one of the humans that wants to do something for the under dog and make it possible for dad to bring home something to eat and wear for Sally and the children from work on the farm and factory, and he wasn't thinking about the Courts or the Constitution until these old men on the Court got in his way and stopped almost everything he tried to do. Of course, when they got in his way he just got his dander up like you and I would under the same conditions and we are going to have a cat and parrot scrap until the thing is settled. It is plum ridiculous to talk about waiting twenty years for the people to pass a constitutional amendment. This would be entirely too long to wait and in the meantime everybody might be hungry and out of a job, and the people would start a real revolution, and everybody knows that no court nor no constitution ever stopped a revolution.

The death of the 450 innocent children in New London last Thursday was certainly the most shocking event of the year. It is the largest school tragedy in the history of the nation. Nothing can bring back to life these children and no act of man can soothe the broken hearts of the fathers and mothers. Cause for the explosion may be finally determined, and some individual or group of individuals may be charged with gross negligence. Proper investigations are being made to see what may be ascertained. In the meanwhile, every school and public building in the state should be

carefully checked to see that another such unnecessary slaughter of life does not occur. The public is sufficiently shocked by this tragedy that action is demanded. Yet the public allowed a continued slaughter of young and old through careless driving to continue and very little is said or done about it.

Automobiles killed 1,291,101 persons in 1934. In 1936 the number increased to 1,378,000. If the present rate maintains, the number will be 1 1/2 millions during 1937. No engine of death has so far been made which is as destructive as the automobile. A pleasurable and useful machine becomes a hideous monster in the hands of a careless or drunken driver. Of course if you knew that you would be one of the 1937 victims, you would become greatly excited over the unnecessary destruction of human life. But since each of us firmly believes that we shall not be one of these victims, we are content to condemn the careless driver and rest assured that maybe something will be done to correct this evil.

The Panhandle was honored by a visit from 25 members of the legislature Saturday and Sunday. They came to see this section of the state, since few had ever visited this section. The visitors were amazed at the extent of the oil field, of the beautiful wheat fields, and the large herds of fat cattle. Those who saw the Palo Duro marveled at its beauty. About half of the visitors came to W. T. and were impressed with the size of the plant. The educational tour to the Panhandle was indeed a most profitable one for the law makers, and they are cordially invited to return at a later date.

While the dust was rolling over the Panhandle Friday, the News was taken to task for the observation made last week that possibly a change has come in the Panhandle. Indeed a change has occurred, comparing this year with 1935 and 1936. Friday was really the first duster we have had in 1937. Very little blowing has started in Randall county. The dust storms started in January in 1935 and 1936. The middle of March passed before we had a real one this year.

Booze brought into the state treasury about five millions of dollars from the time liquor returned to Texas until the first of 1937. Of course it was fine that the state profited to this extent rather than have all the money go to bootleggers; but while the state was collecting five millions of dol-

lars, thousands of women and children were deprived of the absolute necessities of life in order that the appetites of drunken husbands and fathers might be satisfied.

Approval of projects in the Palo Duro State Park indicated that the National Park Service is determined to make a real regional park here. The recent announcement that the State Highway Commission hoped to build a highway through the park and on down the Palo Duro to Memphis is more good news for the people of this section. Should the big dam south of Umlinger finally be built by the federal government, Randall county will truly be the playground of Northwest Texas.

A bill has passed the House of Representatives to remit all state taxes to all counties for a period of five years. 33 counties in Texas now have their state taxes remitted for sundry purposes. Why not the balance of the counties. Randall county could use the \$13,604 of state taxes to good advantage on projects within the county. Just where the state would make up the \$9,000,000 which would be lost to favor the counties has not yet been determined.

A bill is being considered in the legislature to ban fraternities from all high schools of the state. High school students have more activities now than they can successfully look after. Fraternities develop a spirit of superiority over those not in the organizations which is a very, very bad thing for high school students. College fraternities are bad enough, even when close supervision of faculty members is maintained.

Those who do not care to run into difficulties with the highway patrolmen must have their cars equipped with 1937 license plates by midnight of April 1st. The law was changed four years ago to allow the car owners a little time after property tax paying time to buy plates for their cars. Pay up by April 1st, and stay on the good side of the patrolmen.

Texas Author To Speak At Annual Society Banquet

Webb Has Written Much Concerning Plains, Southwest

Walter Prescott Webb, noted author of "The Great Plains," and "The Texas Rangers" from which was filmed one of the outstanding pictures of 1936, will speak at the annual banquet of the Panhandle-Plains Historical Society, which will be held in the huge dining room at Cousins Hall, April 16.

The annual meeting of the Society this year is expected to be one of the greatest in the history of the organization, officials predict. The appearance of the well-known writer, a man who has written authoritatively of the great Southwest and plains area, is expected to interest many residents of the section. Webb is internationally known for his brilliant novels of this region.

W. L. Vaughn, treasurer, and L. F. Sheffy, secretary of the Society, are already receiving reservations for the banquet, although it is almost a month away.

The first annual banquet of the Society was held here in 1922. At that time, forty guests were entertained in the dining room of the home economics department in the Administration Building. In recent years, interest in the Society has increased to such an extent that the large dining room at Cousins Hall has been taxed to capacity to seat guests.

PUBLIC INTEREST DEMANDS FAIR PLAY!

Texas now has good state laws for the regulation—in the public interest—of all transportation. These laws are helping to stabilize transportation, and all business and industry that has to use transportation. These laws are helping to reduce the terrible accident toll on your highways. They are helping to conserve your investment in your highways.

Regulation of transportation in the United States has been developed over a period of fifty years. Reasonable regulation is admitted to be both advisable and necessary in the public interest.

Strict regulation of one form of transportation and the lessening of regulation of any other form is unfair and un-American, and can only result in crippling that part of your transportation facilities which is handicapped—

without any resulting benefit to the people of Texas.

Texas railroads obey the rules of the game,—those imposed by the agencies of government and those taken on voluntarily in the interest of public safety.

Texas railroads are spending this year, large sums of money for new and modern equipment—locomotives, freight and passenger cars, improved rail and roadbed facilities, and are expediting freight and passenger schedules to meet growing public demands. All of this is being done in the interest of improved service to the public and at the lowest rates in twenty years.

All the railroads of Texas are asking—have ever asked—is a FAIR DEAL in a fair field.

HATS OFF to the WORKING MAN!

Attention, Boosters! Salute all Workers in Randall County!

Everything the community has accomplished in the past, and hopes to accomplish in the future, depends entirely upon workers.

Farmers, all workers, business, and professional men, each contribute their share toward building up the community. Labor has created our schools, churches, good roads, and comfortable homes. Labor builds goodwill and brings us greater prosperity. Our

joint labors will make this community a better place in which to reside.

There is no finer way to boost your home community than aiding some worker to find employment.

For those who labor, there is no surer way to guarantee a continuation of your job than to spend your money in the community which gives you the opportunity to earn your living.

CLUB ENJOYS ST. PATRICK SOCIAL MARCH 16th

Memories of the "good old St. Patrick" were brought vividly before all the lads and lassies when members of the West Side Club entertained their friends and families with the annual banquet on Tuesday evening, March 16, in the Recreational Hall of the Methodist Church. Merriment reigned supreme from the very beginning when each lad present fished for the colleen who was to be his partner during the evening. After the tables were cleared various contests and games including potato races, hunting the shamrock and others, furnished amusement for the remainder of the evening. Green and white decorations on tables and the cleverly written menu cards further carried out the St. Patrick idea.

Visitors present were: Mr. and Mrs. Irby Carruth, Mr. and Mrs. W. A. Jennings, Mr. and Mrs. C. V. Conatser, Mrs. T. C. Thompson, Carmela Lee Guinn, Ray Metcalf, Bud McNeil, Ed Slate, Shelby Cook, Pard Bourn, and the families of the following: B. A. Burrus, Mrs. Lena Tuck, J. W. Bourn, Tony Burrus, J. M. Carruth, Joe Baber, W. C. Roberts, Pat Baber, J. J. Wright, L. D. Winn, C. L. Gordon-Cummings, Ed Bourn, Geo. Beedy, A. N. Burgh, F. E. Stockhaus, and Mrs. Wm. Ash, Mrs. J. L. Slate, and Mrs. J. A. Smith.

MRS. MCCLURE GIVEN HANKY SHOWER THURSDAY

The home of Mrs. R. W. Ratcliff was the scene of a lovely handkerchief shower given for Mrs. S. B. McClure last Thursday afternoon by members of the Rose Walker Circle and King's Daughters Sunday School class of the Baptist church.

Songs and games were led by Mrs. R. W. Bowman followed by a prayer in memory of the sick members and friends. Mrs. J. C. Dowd, circle president, presented the honoree with an Easter basket containing the many beautiful handkerchiefs from members of the organization.

Mrs. J. D. Key, chairman of the refreshment committee, served cake and punch at the conclusion of the program to Mrs. B. F. Fronabarger, Mrs. M. E. Sogee, Mrs. Henry Sparks, Mrs. Chas. Stratton, Mrs. W. H. Hardin, Mrs. I. M. Steen, Mrs. J. C. Dowd, Mrs. J. D. Key, Mrs. Bourland, Mrs. R. W. Ratcliff, Mrs. McClure, Mrs. Minnie Laughery, Mrs. G. C. Cole, Mrs. J. R. Hicks, Mrs. E. B. Anthony, Mrs. Bowman, and Miss Florence Bellah.

MRS. E. B. ANTHONY HAS CIRCLE MEETING TUESDAY

Members of the Rose Walker Circle met with Mrs. E. B. Anthony Tuesday afternoon from three until five o'clock for the weekly study.

Mrs. C. H. Stratton read the 8th Chapter of Romans for the Devotional followed by a prayer by Mrs. Hardin. The lesson study was taken up immediately owing to the absence of the secretary.

A delicious plate lunch, carrying out the Easter motif, was served by the hostess at the conclusion of the study period.

Those present were Mrs. M. E. Sogee, Mrs. Henry Sparks, Mrs. J. C. Dowd, Mrs. I. M. Steen, Mrs. J. D. Key, Mrs. C. H. Stratton, Mrs. C. W. Morris, Mrs. W. H. Hardin, Miss Florence Bellah, and Mrs. J. W. Bourn as visitor.

All Circles meet at the Church next Tuesday for mission study. Members are asked to make aprons for the church kitchen and take them to the meeting at the home of Mrs. Dowd on Tuesday, April 5.

DELEGATE TO REPORT TO REBEKAHS TUESDAY

After opening the Rebekah Lodge Tuesday evening, several topics for the good of the order were discussed by members present. The meeting was adjourned until next Tuesday, March 30, at which time Mrs. Minnie Laughery, delegate to Rebekah Assembly which met at Corsicana, will give her report.

This is the date for the regular monthly social, and the committee is planning a gala affair. Members are urged to be present.

THE WEST SIDE CLUB STUDIES KITCHENS

The West Side Home Demonstration Club held its regular meeting Friday, March 19, at the home of Mrs. Ed Bourn.

"An adequate and sanitary supply of water is necessary for the health of the family," said Miss Allie Dozier. In checking over the score cards for kitchens, it was found that only one member of the club did not have a sink or water piped in the house.

Plans were made for a picnic on Easter Sunday. During the recreational period Mrs. Joe Tuck led the group in some interesting contests.

At noon a delicious covered dish luncheon was served to the following:

Mrs. J. J. Wright, Mrs. Joe Baber, Mrs. John Hunter, Mrs. W. C. Roberts, Mrs. R. A. Burrus, Mrs. J. A. Smith, Mrs. Lena Tuck, Mrs. B. A. Burrus, Mrs. Tony Burrus, Mrs. J. W. Bourn, Mrs. Joe Tuck, Mrs. F. E. Stockhaus, Miss Allie Dozier, Miss Kitty Burrus, and Miss Katie Tuck.

The next meeting will be with Mrs. Tom Dowlen on April 12.

CLUB HOLDS MONTHLY DINNER BRIDGE

The regular monthly dinner-bridge of the Friday Afternoon Club members with their husbands as guests was held last week at the home of Mr. and Mrs. W. L. Smith, 1206 Sixth Avenue.

Following the delicious two-course dinner featuring the Easter motif, the tables were cleared for games of bingo, bridge, and Michigan, which were played until a late hour.

Special guests were Mr. and Mrs. C. H. Jarrett, Mr. and Mrs. Wallace R. Clark, and Dr. and Mrs. S. L. Ingham. Club members present were Mr. and Mrs. Marion Bishir, Mr. and Mrs. W. C. Black, Dr. and Mrs. R. A. Neblett, Mr. and Mrs. Tom Knighton, Mr. and Mrs. J. W. Kleinschmidt, Mr. and Mrs. Dan Sanders, Mr. and Mrs. Clyde Warwick, Mrs. Clarence Thompson, and Mrs. Irby Carruth, together with the host and hostess.

LAKESIDE CLUB HAS ALL DAY MEETING

The home of Mrs. Harley Burrus was the place Wednesday for an all day meeting of the Lakeside Home Demonstration Club. Quilting was the diversion of the day. A short business session was held and plans were made for an Easter egg hunt for families of the club members.

A delicious covered dish luncheon was served to Mrs. Glenn Costley, Mrs. L. T. Campbell, Mrs. John Dickenson, Mrs. Tina Babcock, Mrs. Frank Garrett, Mrs. Bert Hammond, Mrs. Tom Lair, Mrs. Andrew Jones, Mrs. Albert Byers, Mrs. Taylor Myers, Mrs. John Haines, Miss Anne Costley, and Mrs. Burrus.

MRS. FRED MYE ENTERTAINS BLUEBONNET CLUB

An afternoon of needlework was enjoyed Friday of last week when members of the Bluebonnet Needle Club met at the home of Mrs. Fred Mye for the regular meeting.

House decorations featured beautiful pot plants and the Easter motif was introduced.

A delicious refreshment plate was served at the tea hour to Mrs. J. B. Morriset, Mrs. R. E. Ball, Mrs. J. D. Barker, Mrs. Guy Cole, Mrs. Levi Cole, Mrs. Norval Dickerson, Mrs. Jay Prichard, Mrs. Merton Myers, Mrs. Earl Craig, Mrs. Tom Brasher, and Miss Ruby Reynolds, special guest.

Mrs. L. Wirt gives REVIEW MONDAY

At the Monday afternoon meeting of the Junior Woman's Club, Mrs. L. Wirt substituted for Mrs. A. K. Goodman in giving William McNalley's review of "The Roofs of Elm Street."

The club was not privileged to hear "I Am The Fox," by Winfred Van Etten reviewed. Mrs. A. L. Walsh was on the program for this, but was out of town due to the death of Mr. Walsh's father in Oklahoma. It will likely be given at a later date.

LABOR SAVING GADGETS DISCUSSED BY CLUB

Gadgets and labor saving devices were topics of discussion when members of the Sunny Hill Home Demonstration Club met in the home of Mrs. S. L. Robinson, Tuesday, March 16.

Electricity is one of the greatest labor saving devices, and most rural people can have electricity by the use of wind chargers, according to a statement made by Mrs. R. B. Gist, who gave a paper on labor savers. Lights, refrigerators, and any number of appliances can be used to advantage on the farm.

With Mrs. L. O. Jennings leading the discussion, it was decided a gadget for stringing and cutting green beans at the same time would be a great saver for the busy woman who can't do it.

Refreshments were served to Mrs. Gist, Mrs. Jennings, Mrs. A. E. Wise, Mrs. Lela Castleberry, Mrs. Henry Ratjen, Mrs. J. B. Knox, Mrs. Gertrude Wade, Mrs. Glenn Dowlen, Miss Lois Moreman, and Mrs. Robinson.

TIME SAVERS DISCUSSED BY PARK CLUB THURSDAY

Time and labor saving gadgets was the topic for discussion at the meeting of the Park H. D. Club in the home of Mrs. Chas. Thurmon last Thursday.

During the business session Mrs. A. H. Simon and Mrs. Flynn Winters were elected as president and vice president respectively following the resignation of Mrs. John Coburn and Mrs. C. C. Benton. Mrs. Chas. Thurmon was leader during the recreation period.

Members present were Mrs. C. C. Benton, Mrs. Owen Turpin, Mrs. Ivan Pitt, Mrs. C. F. Moore, Mrs. Flynn Winters, Mrs. Frank Winters, Jr., Mrs. Mamie Sherer, Mrs. A. H. Simon, Mrs. Herick Simon, Mrs. James Eddie Park, Mrs. J. E. Park, and visitors, Mrs. D. D. Vaughan, Mrs. P. E. Thurmon, and Mrs. Holman.

MRS. D. C. MCCORMICK LED ZITA DISCUSSION

The Zita Home Demonstration Club members answered roll call Tuesday afternoon with a household hint, after which Mrs. D. C. McCormick led a program on gadgets and labor savers in the kitchen.

The meeting was held in the home of Mrs. E. A. Michael. During the business session reports from all committees were given. Garden demonstrator elected for the year was Mrs. H. R. Fulton.

Bingo was enjoyed during the social hour by Mrs. Lawrence Fulton, Mrs. Morris Hill, Mrs. J. P. Upchurch, Mrs. H. R. Fulton, Mrs. D. C. McCormick, Mrs. Baile McCormick, Mrs. Michael, and two guests, Mrs. Root and Mrs. Albers.

RALPH H. D. CLUB MET WITH PRESIDENT

"Character and Personality are developed through the home," said Miss Allie Dozier at the Ralph Home Demonstration Club meeting Wednesday, March 10, at the home of Mrs. T. C. Gooch, club president.

Ways of making money were discussed by members and the council report was given by Mrs. Lewis Browning. Mrs. T. C. Gooch was in charge of the games.

Refreshments of ice cream, cake, and mints were served to eleven members and two guests present.

An all day meeting was held with Mrs. Grady Persons yesterday, the 24th.

LAKESIDE 4-H CLUB HAS MEETING THURSDAY

The Lakeside 4-H Club met at the home of Margaret Fulton, Thursday afternoon, March 18.

Miss Allie Dozier discussed and explained the methods of judging canned goods. She also distributed some interesting bulletins on canning. Also Miss Dozier talked about the latest styles and materials which are to be worn this summer.

Refreshments were served to the following members: Laura Lou and Lorraine Campbell, Bonnie Dickenson, Gwen, Jean, and Fern Byars, the sponsor, Mrs. Dickenson, and the hostess, Margaret Fulton.

Martin Johnson's Camera Snaps Wife In Housekeeping Mood on Last Safari

Martin Johnson's life that ended so tragically as the result of an airplane crash on a lonely snow-covered mountainside near Los Angeles on Jan. 12, though full of adventure was an extremely happy one because of the enjoyment he and his wife derived from their experiences while making motion pictures of wild life in the tropics. One of Mrs. Johnson's functions on these trips was to make life home-like and comfortable no matter how far

away from civilization their camp might be.

The above photograph, taken by Mr. Johnson toward the end of the expedition in Borneo, where they spent most of last year in the jungles, shows Mrs. Johnson in a characteristic scene. The Johnsons lived on a bamboo raft that was moved up and down the Kinabatangan River, where the climate is said to be the hottest in the world. Strange as it may seem, modern refrigeration played a big role in the Borneo expedition. Two Servel Electrolux re-

frigerators (operated with kerosene) were part of the scientific equipment of the expedition. One of these was installed on the back veranda of the raft. Without the refrigerators, the Johnsons could not have withstood the heat of the jungles, they stated upon their return from Borneo.

Mrs. Johnson is telling the little jungle maiden what they do with fruit and vegetables in America and how good the big pineapple will be when it gets cold. The small native boy is laughing at Mr. Johnson's antics in manipulation his motion picture camera.

W. T. Continues To Grow Steadily As Years Pass

Some things grow only in the spring, and others grow only when conditions are favorable, lying dormant or dying during years of drought or unusual heat or cold. The West Texas State Teachers College has grown steadily, despite unfavorable conditions, as shown by information assembled by Registrar D. A. Shirley.

Growth may be best shown by noting enrollment growth and the number of degrees granted during the time considered. The following table shows growth during the past fifteen years and the number of degrees granted:

Year	Students Enrolled	Degrees Granted
1922-23	482	21
1923-24	554	21
1924-25	717	57
1925-26	717	72
1926-27	775	84
1927-28	915	103
1928-29	865	118
1929-30	893	115
1930-31	870	108
1931-32	866	154
1932-33	917	176
1933-34	950	193
1934-35	1033	226
1935-36	1004	244
1936-37	1006	

The following two lists represent number of schools in the country whose attendance for the year 1935-36 is within one hundred students of W. T. The first list shows those whose attendance is one to one hundred greater than W. T. and the second list those whose attendance is one to one hundred smaller.

SCENE OF TEXAS SCHOOL EXPLOSION KILLING 455

A terrific gas explosion, 10 minutes before dismissal time, left this scene of grim disaster at the New London, Tex., Consolidated School. At least 455 students and teachers were killed and 125 injured when gas, accumulating in the school's basement, suddenly ignited and shattered the two-story structure into a mass of tangled wreckage. Bricks and timber and debris were hurled hundreds of feet. The force of the explosion was felt three miles away. Children were horribly mangled. More than 1000 students were in the building at the time. One of the richest schools in the world, it is situated in the heart of the East Texas oil fields, and has 11 wells on its own grounds.

St. Patrick's Day Celebrated

In honor of St. Patrick, the Sophomore class had a party on Tuesday evening, March 16, in the Home Economics room.

Invitations in the shape of a shamrock were sent to each member of the class. The arrangements committee included Mildred Tucker, chairman, and Helen Tucker, Ruth Nickelson, Martha Carlee Wirt, and Hazel Sanders.

The entertainments were games and stories concerning St. Patrick's Day. This committee was composed of Renna Beth Bellah, Eston, Breittling, D. A. Butler, J. D. Breittling, Rayburn McKee, and Billy Davis.

Refreshments were potato salad, pickles in the form of a hatchet, sandwiches, candy cookies, and limeade. The refreshments committee included Nora Lee Brazil, Geraldine Hart, Betty Jo Black, Sue Terry, Alta Fly, and Carl Cone.

YOU WILL ENJOY

"Daniel Boone," by Stewart Edward White. The boys, especially, will like this book. Daniel Boone is a hero of the pioneer days and will interest all. "This is the great story of the greatest frontiersman—his almost unbelievable adventures, captures, escapes and battles—the stirring tale of the conquest of the 'Dark and Bloody Ground' which he won for America."

"Père Marquette," by Agnes Repplier. This is also a good book. It is about "Explorers and missionaries—priests and heroes—Père Marquette was one of the greatest pioneers who laid the foundation of America. Legend has printed him as a romantic figure, beloved and trusted."

"In the days of Poor Richard," by Irving Bacheller. This is a story of Jack Irons and Margaret Hare, who live in the days of the Revolution. The great character Franklin makes part of the drama possible. For anyone who likes thrilling incidents and absorbing romance, this is a novel that will please.

Among the Exchanges

School Teacher: Percival, you are half an hour late; what was the matter?

Percy: I went out with Pa to a lynching party, and we stayed until the last man was hung."

Teacher (severely): "Was hanging," Percival.

An old negro was taking a civil service examination for the position of rural mail carrier. One of the questions asked was: "How far is it from the earth to the sun?" The old darkey looked frightened and exclaimed, "Ef you-all is gwinter to put me on that route, I 'ze resignin' befoah I begins."

We live and learn. No matter what your age; But I just sit here and burn, Trying to fill this page.—Exchange.

A Gentleman Defined

A man who is clean both inside and outside; who neither looks up to the rich nor down at the poor; who can lose without squealing and win without bragging; who is considerate of women, children, and old people; who is too brave to lie, too generous to cheat, and who takes his share of the world and lets other people have theirs.—Camps Chat.

Mrs. Burt Newlin, room mother of the Junior Class, and mother of Martha Jo and Anna Lee Newlin, returned home Saturday after an operation and treatment in a sanitarium at Temple.

ing which takes place every period? It is indeed maddening to a teacher, as well as to fellow pupils, when they try to talk or to hear what is being said, and the unnecessary coughing makes it impossible to hear or be heard. The necessary coughing can be excused to some extent by fellow-students and teachers; but a person who is asked to talk to the student body and who is not used to such a continuous noise may hope he is never asked to speak to such a rude student body again.

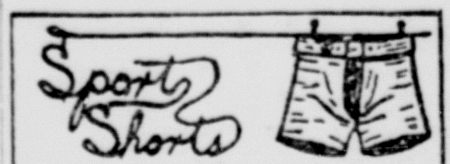

Any student who is intelligent enough to be in high school should know that such conduct is neither mannerly or becoming, and that one owes it not only to his school and to himself, but to his classmates and teachers to be polite and consider the other fellow more.

Teachers and pupils look with sympathy upon students who have bad colds, and it is necessary for them to cough a great deal. But what of all the continuous cough-

"Here Comes Charlie!" When is Charlie going to get here? Where is Charlie from? Who's coming with Charlie? Where's Charlie going? Who is Charlie? Why is Charlie coming? How old is Charlie? What does Charlie look like? Why is Charlie coming? How long is Charlie going to stay? Who is Charlie coming to see?

What color eyes does Charlie have? How big are Charlie's feet? What color hair does Charlie have? How tall is Charlie? Is Charlie sweet? Who's Charlie's friend? How much money does Charlie have? What is Charlie's favorite food? Is Charlie old-fashioned or modern? Can Charlie do the rumba? Can Charlie play any musical instruments? What is Charlie's last name?

Did someone say something about Charlie?

SPRING FOOTBALL

Spring football practice is well under way now. The boys, led by Captain "Bot" Rusk, have lots of pepper and are really working hard. Ezell Champion, former W. T. man, has been coaching the boys on how to punt. Joe Gill is showing promise of being one of the best punters the Eagles have ever had.

TRACK

Track is picking up. Jack Middleton and Ray Ford Rusk can clip off a fair quarter-mile and will be certain to give the district competition in this field.

Seems like we just can't get off the subject of track. Coach Hutto has the best prospects C. H. S. has ever had in a long time. John B. Pope is going to pole vault. Because of the high winds of late, he hasn't got in much practice yet, but he seems to think he can do it. John won't try to run anything. Seems like he doesn't think anyone that runs like a duck could do any good.

LETTER SWEATERS

The football boys who lettered last year are sure getting impatient. Sweaters have been ordered for nearly two months and still haven't arrived. Some of the boys advocate a trip to Alaska when they get here, so there will be an excuse to wear them.

GOLD BASKETBALLS

The basketball lettermen certainly did appreciate the gold basketballs that the business men gave them. They are the best looking balls seen in this part of the country. Coach Morris now has nine gold basketballs on one watch chain. Not bad, if he doesn't get tired of carrying around so much heavy metal.

GIRLS' INTRAMURALS

The girls' intramurals are over, and a good time was had by all, we hope. Some of the girls are really good, and others are more or less comical to watch play. Still, all in all, the games are interesting and the girls enjoyed it. The spectators had quite a bit of fun too.

MARBLES

Marble plays are running wild now. This is a sure sign that spring is just around the corner. Well, let it come; we are ready for it. In fact, a little spring weather would be very much appreciated by the majority of the students just now.

BOXING

Canyon High School is going to be represented in a boxing tournament at Wheeler on April 9. Boxers under the direction of Coach Gerald Brown are Tom Harris, Lavert Avert, Melvin Calliham, C. L. Drummond, and Sherman Higdon. Looks like some boys are going to get their ears knocked down.

Say, I wonder if this "Charlie" is much of a football player?

GUESS WHO?

Cowboy boots and a big gray hat, A country lad about six-foot-two; Never saw a broncho, lean or fat; A drug-store cowboy; what's it to you?

He's classed as a junior in Canyon High; Never tells a story, cannot tell a lie; But he rides bronchos of every sort;

Goes to Amarillo and there cavorts. Answer to last week's Guess Who, Jack Inman.

GRADE 5-A PRESENTS PLAY

Grade 5-A presented a playlet, "The Trail of March," in the elementary school assembly last Thursday. Martha Jean Dowd gave a negro reading for the remainder of the program. The play was directed by Miss Annie Ruth Eastus.

Miss Pauline Crittendon spent Saturday shopping in Amarillo.

SRS. CROWNED INTRAMURAL QUEENS

In the second game to determine the winners of the girls' intramural tournament, the seniors defeated the sophomores 21-18. The seniors had a small lead all thru the game, but their defense was weakened after Evelyn Cluck, Betty Ruth Solomon, and Pauline Harris fouled out. The first game for championship was played on Wednesday; at the end of the game the score was a tie, 18 and 18. The seniors had only four girls left on the floor and the sophomores had six. The tie was not played off because the coaches and captains could not agree. A meeting was held in the principal's office, where it was agreed to play another game.

Sophomores Favorites

The sophomores were the favorites of the tournament. Edrie McNeill, sophomore, was the outstanding player for her team. She was not stopped from taking a shot any time she wanted one, until Evelyn Cluck, senior guard, stopped her.

The tournament started two weeks ago on a double-elimination basis. In the first game, the seniors won 5 to 3, over the freshmen. The sophomores defeated the seventh grade 31 to 19 in the second game. The seventh grade was put out of the tournament when the freshmen beat them 12 to 4. The juniors drew a bye the first day, but played the sophomores on the second day and defeated them 18 to 13. The freshmen were put out of the tournament by the sophomores by a score of 22 to 18. The seniors drew a bye the second day, but the third day they defeated the juniors by a score of 22 to 11.

This game put the seniors in the finals, and the juniors and sophomores played in the semi-finals. The sophomores won by only five points. The final score was 20 to 15. The seniors played the Eagles for next year for practice. It was a tie at the end of the game; they rested five minutes and played three minutes more. The seniors won by one point, 6 to 7.

Six Minute Quarters

The quarters throughout the game were six minutes long. The various officials were Jimmy Pope, Mabrey Vandergriff, C. L. Drummond, Melvin Calliham, Eston Breittling, D. A. Butler, Mr. Gerald Brown, Miss Ruth Greenfield, and Coach Milton Morris.

The girls playing for winners of the intramurals were Captain Evelyn Cluck, Pauline Harris, Pauline Moore, Wilda Marsh, Mary Catherine Wirt, Betty Ruth Solomon, Hardine Rogge, and Jean Slack. They were coached by Kate Donnell and Carolyn Mayfield, both seniors.

Sophomores Win Second

The sophomores, winning second had the following girls playing for them: Edrie McNeill, captain; Jimmie Sol Slack, Hazel Sanders, Betty Jo Black, Juanita Bible, Sue Terry, Martha Carlie Wirt, and Charlotte Beth Henderson, Alta Fly, Ann Maxwell, and Shirley Tate. They were coached by Renna Beth Bellah.

The juniors, runners-up in semi-finals, had the following girls representing them. Captain Mary Horn, Obera Burgan, Helen Johnson, Helen Hurst, Lillian Chambers, Marie O'Donald, Zella Laughery, Dorothy Warwick, and Annie Mae Spencer. Mary Collins, senior, and Natalie Flesher, junior, coached the juniors.

Bourn Led Freshmen

The freshmen, led by Mary Bourn, won one game and lost two. The other girls playing on their team were Kettie Johnson, Fern Walters, Raynelle Rigby, Martha Frances Campbell, Polly Cluck, Lola Mae Carr, and Myrtle Farr. They were coached by Billy Greenfield and Mavis Harden, seniors.

The seventh grade were small, but they fought to the end. First playing on their team were Katie Jean Black, Betty Guthrie, Ula Bell Martin, Charlene Henderson, Mary Zachry, Clara Bell Newberry, Betty Jo Cone, Retha Lindsey, Elizabeth Maxwell, Melba Farr, Norma Lee Black, Geraldine Farr, and Eva Griffin. This team was coached by Wanda Brock, senior.

Fourth Win

The seniors will have their names placed on a cup in the trophy case. This makes the fourth year for this class to win intramurals.

The all-tournament team as picked by the coaches were forwards, Edrie McNeill, sophomore, Mary Catherine Wirt, senior, and Mary Horn, junior; guards, Betty Jo Black, sophomore, Evelyn Cluck, senior, and Marie O'Donald, junior. Betty Ruth Solomon and Polly Cluck tied for a place on the team. They lacked only one vote making it. The rest received honorable mention, Katie Jean Black, Helen Hurst, and Pauline Harris.

Edrie McNeill was high-point player of the tournament with 77 points. Evelyn Cluck is noted for being the roughest girl on the team. She had 13 personal fouls.

The Junior Class Expresses Appreciation For Attendance

Band Attends Mule Day

Thirty-two band members and their director, Mr. R. G. Stephenson, attended "Mule Day" at Cal Farley's in Amarillo last Thursday, March 18.

Dressed in their purple and white band suits, the band members left at 3 o'clock in the school bus for Amarillo. The band, along with bands from Hereford, Sam Houston, and Phillips schools, and led by the Lefor's Drum and Bugle Corps, marched in a parade down Polk Street. In front of Cal Farley's they played "Little Giant," a musical number.

They were served hot dogs, cookies, and cokes by Cal Farley. Afterwards they were given free tickets to a show at the Paramount or to the wrestling match.

C. H. S. Represented In Tournament

Five Canyon students entered the annual Amarillo Speech Arts Tournament held in Amarillo last Saturday.

John Albers and Sherman Higdon, won a debate over Sudan and then lost to Lubbock, who finally won the tournament.

Shirley Ann Oliver and Lillian Chambers won their first debate over Vega but lost out of the tournament when they were defeated by Spur.

Kate Donnell, who entered the declamation contest with "Ropes," failed to place.

The Lubbock boys and Wichita Falls girls won the debate tournament.

Press Club Sets New Record!

"Hurry and get 'Guess Who' in. Here, count these words. Is that headline ready? Give me a smack. (No, one you eat!) One more hour and we'll make it. Rush this up and type it. There! Everything's in and it isn't even 6:30."

For the first time in the history of the Press Club, the Eagle's Tale was out Monday before dark. Believe it or not, this deadline system that the editor has instituted does the work.

MOMEMAKERS HAVE PICNIC

The Junior Homemakers held their last meeting in the form of a picnic at the South Creek last Tuesday afternoon at 4 o'clock. The lunch consisted of sandwiches, pickles, potato chips, cookies, and fruit.

Miss Ruth Greenfield spent last week end with her brothers, Ira and "Shorty" Greenfield in Post.

Doris Marie Ball spent the week end with her grandmother in Tulia.

Miss Mattie Jordan spent the week end at her home in Tulia.

One-Fifth Of The Students Of C. H. S. Are Chronic Fibbers

Did you know that one-fifth of the students in Canyon High School are liars? Well, they are, because Mr. Pope said so.

"Please excuse Bob on account of illness."

"Please excuse Jane for her absence yesterday. She went to Amarillo."

"Please excuse Bill. His pants were torn."

"Please excuse Betty because she was sick."

The excuses for absences or tardies pour in without a let-up. The office has a standard list of excuses. They are illness of the child, illness or death in the family, truancy, loitering, working, out-of-town, parental neglect or home conditions, religion, inclement weather, attending entertainment or outside game, pretended illness (Mr. Pope says 50 percent of the excuses are pretended illness), tardiness, moving away, suspension or other school trouble, lack of clothing, accident to clothing, private lessons, other school lessons, bus trouble, private transportation trouble, error in schedule, change of schedule, student activity or games, mental disability, attending funeral, excused by teacher, or miscellaneous.

Relentlessly they come. "Excused because of car trouble."

"Excused to take music lesson."

"Excused for work."

points. Evelyn Cluck is noted for being the roughest girl on the team. She had 13 personal fouls.

By Marie O'Donald
The Junior play, "A Poor Married Man," really went over in a very pleasant way, so far as this reporter could see.

It was the parts of Jupiter and the Professor that furnished so much fun for the audience.

The class made forty-eight dollars and thirty five cents from the play. This was a good start on money for the Junior-Senior banquet.

The class wishes very much to express their deep appreciation to all who were so kind to support us during the four weeks of struggle to advertise and prepare the play at its best, also the ones who took time to come to our play.

We wish to give credit to Mr. H. G. Moore, speech teacher in the high school, who has spent many hours of his time in practicing with the cast and helping them in every way.

To Mr. Gerald Brown, the class sponsor, we also take this means of thanking you for your time and confidence that you have had with the cast. It seems that practicing the play practically every night for four or five weeks, Mr. Brown would have lost interest in it; but we are sure that no person laughed as much as he did the night of the play. He was supposed to be prompting, but he watched the players and laughed until he couldn't keep up with the correct line.

We also wish to thank Thompson Hardware Co., Southwestern Bell Telephone Co., and the faculty for the co-operation put forth in order to make our play a success.

We wish to thank the high school quartet, consisting of Betty Ruth Solomon, Kate Donnell, Evelyn Cluck, and Carolyn Mayfield, and also Shirley Ann Newberry for the entertainment between the acts.

The class also wishes to recognize Sarah Thompson, class president for the work she has done toward the play. It is the little things that count, and Sarah has done a lot of them.

All in all, we of the Junior Class wish to show our appreciation to any and all who have helped us in any way to put our play over.

MRS. J. A. HILL SPEAKS ON APPRECIATION

Mrs. J. A. Hill will speak on "Appreciation" at the meeting of the Parent-Teachers Association this evening in the high school auditorium at 7:45 o'clock. Mrs. W. C. Black will be in charge of the program, which will include music by the West Texas High School Boys' Glee Club. The devotional will be given by Mrs. Harvey Cash.

A special business meeting will be held.

C. L. Drummond and Sherman Higdon spent Monday afternoon in Amarillo.

Mary Collins visited her aunt, Mrs. J. C. Fuller, in Plainview Saturday.

O. M. Solomon, '35, and Overton Donnell, '36, visited the Press Club last Monday afternoon.

TUCKER DISCUSSES SPAIN AT LA TERTULIA

Mildred Tucker discussed the geography, history, and culture of Spain at the regular meeting of La Tertulia last Friday afternoon. Alta Fly told about the cities and famous buildings of Spain, and the club sang two songs, "Home on the Range," and "America."

One of the objectives of the club is to learn in Spanish as many familiar songs as possible.

Mr. and Mrs. Terril Christian and children Tommy and Jimmie, of Claude, and Miss Allene Gilmore of Ft. Worth, spent last Sunday at the home of Mrs. T. W. Collins, first grade teacher.

Mary Collins and Evelyn Cluck shopped in Amarillo last Thursday afternoon.

Coach Emil Hutto visited in Vernon and Wichita Falls during the week end.

Miss Anna Ruth Eastus attended the wedding of her sister in Abilene last Saturday.

Mr. R. G. Stephenson spent last week end in Abilene.

Yearling Cagers Win New Mexico Basketball Meet

Riding on a wave of enthusiasm, the Yearling cagers emerged from the invitation tournament at Rogers, N. M., Friday and Saturday with the coveted honors.

Each of the frosh was awarded a gold basketball, and Randall Osborne and E. C. Payne were chosen on the all-tournament team. Payne was also selected as the most valuable player in the contest.

Flipping in shots with consistency the young Buffaloes gained a 56 to 31 victory over a Roger independent squad in the deciding fray of the contest. Al Gartin's Eastern New Mexico College fell easy victims to the fast breaking frosh 62-34 in the opening fray. Osborne and Ernest Schur paced the offensive with 18 and 11 points respectively.

Those receiving gold basketballs were: Donald Kendrick, Ernest Schur, Randall Osborne, E. C. Payne, Ray Morrison, Carl Matney, W. M. Trigg, and George Taylor.

Modern dairying— 80 years old...

This 1937 season marks the 80th anniversary of modern dairying

It was 80 years ago this Spring that Gail Borden established the first successful commercial plant to "can" yesterday's milk for use next week, next month or next year.

Borden's small factory in the Naugatuck Valley of Connecticut started milk on its way to new and world-wide markets. Every dairyman shares in the wider markets and greater uses of milk brought about by his leadership.

Borden, on the 80th anniversary of modern dairying, pledges to continue this tradition of leadership in extending the uses for milk.

CHOKES USES UP GASOLINE 5 to 15 TIMES FASTER!

Scientific tests prove that the world's greatest gas-waster is right on your instrument board.

That innocent-looking "choke" button is the thief that steals your mileage.

While the choke is pulled out for starting, or while the motor is warming up, your gas tank is being drained five to fifteen times faster than normal!

The simple, easy way to reduce this excessive waste is to use the new Phillips 66 PolyGas. It needs the least possible choke, because it is extra high test. And it is extra high test without a penny of extra price, because Phillips is the world's largest

producer of natural high test gasoline.

The result is that car owners everywhere report records of remarkable gasoline economy . . . outstandingly fast starting . . . extra power, pep, and miles . . . far finer performance on every count.

Remember, this great gasoline is now better than ever, since every gallon is enriched with extra energy units by the patented POLYmerization process.

Next time you see the Orange and Black 66 Shield, stop for a trial tankful of Phillips 66 Poly Gas . . . GO EASY ON THE CHOKES . . . and then just feel that difference!
